Delhi Board Class 10 Exam 2027 – Pattern at a Glance

Board and medium	Delhi's schools are overwhelmingly CBSE-affiliated — there is no separate Delhi state board conducting Class 10 exams. This test series covers Mathematics, Science, Social Science, English and Hindi as per the current CBSE curriculum.
Marks / papers	Mathematics, Social Science, English and Hindi: **80 marks Annual Theory Exam + 20 marks Internal Assessment = 100**. **Science** is 80 theory + 20 internal assessment (including practicals) = 100. From the 2026 exams, CBSE is introducing a twice-a-year Class 10 board exam (first exam mandatory, second optional for improvement) — Class 12 remains a single annual exam.
Curriculum	All subjects follow the current NCERT/CBSE curriculum used nationally. Delhi government schools additionally run non-examined enrichment programs (e.g. the Happiness Curriculum) alongside this syllabus, but these do not form part of the board-exam content covered in this test series.

Delhi does not have its own independent school-board curriculum for the mainstream Class 10/12 board exams — the vast majority of Delhi schools (government and private) are affiliated to CBSE. A separate Delhi Board of School Education (DBSE) existed briefly (2021–2025) for a small number of specialised government schools, but it has since been discontinued and those schools are being moved back to CBSE. Delhi's Directorate of Education also runs non-examined enrichment programs (e.g. the Happiness Curriculum) alongside the regular syllabus, but these do not form part of the board-exam curriculum. Pattern and syllabus details below are therefore compiled from the official CBSE curriculum for the 2026-27 session (cbseacademic.nic.in), cross-checked against multiple independent syllabus-reference sources. Please cross-check exact chapter-level detail against the current-year official CBSE circular before final print, since CBSE periodically trims or rationalises individual chapters.
