Haryana Board (HBSE) Class 10 Exam 2027 – Pattern at a Glance

Board and medium	BSEH (Board of School Education Haryana, Bhiwani) conducts the Class 10 (Secondary) Board Examination, typically held in March. This test series covers Mathematics, Science, Social Science, English and Hindi.
Marks / papers	Every subject except Science follows the same split: **80 marks Annual Theory Exam + 20 marks Internal Assessment = 100** (IA = 2 periodic tests + half-yearly + pre-board + classroom participation + project work + attendance). **Science** is 80 theory + 10 practical + 10 internal assessment = 100.
Curriculum	Mathematics, Science, English and most of Social Science (Geography, Civics, Economics) follow the current NCERT/CBSE-aligned curriculum. Social Science's **History** unit uses a distinct, HBSE-authored syllabus (not the standard CBSE History chapters) – see the Social Science table below. Hindi includes an additional HBSE value-education reader alongside the standard Kshitij/Kritika textbooks.

Pattern and syllabus details below were compiled directly from the official Board of School Education Haryana (BSEH) website, bseh.org.in — the 2026-27 session subject-wise 'Syllabus and Chapter-wise Division of Marks' PDFs published there for Class 10 and Class 12. Most subjects match the current NCERT/CBSE curriculum closely (several HBSE textbooks are in fact the official NCERT books, reprinted under a BSEH imprint), but a few — notably Class 10 Social Science's History component and part of the Hindi course — use HBSE-specific content that differs from CBSE. Where a chapter list or exact marks split could not be fully cross-verified, this is flagged below — please confirm with your subject faculty before final print.
