Haryana Board (HBSE) Class 12 Exam 2027 – Pattern at a Glance

Board	BSEH (Board of School Education Haryana, Bhiwani) conducts the Class 12 (Senior Secondary) public examinations, typically in March. This test series covers Physics, Chemistry, Biology, Mathematics, English, Accountancy and Economics.
Marks	Physics, Chemistry and Biology: 70 marks Theory + 30 marks Practical (15 external + 15 internal) = 100. Mathematics and English: 80 marks Theory + 20 marks Internal Assessment = 100. Accountancy: 60 marks Annual Exam + 20 marks Practical + 20 marks Internal Assessment = 100. Economics: 80 marks Theory + 20 marks Internal Assessment = 100.
Curriculum	Physics, Chemistry, Biology, Mathematics and English Core are directly aligned to the current NCERT/CBSE Class 12 syllabus – several HBSE textbooks (e.g. Political Science, History) are the official NCERT books reprinted under a BSEH imprint. Accountancy and Economics follow the board's commerce-stream syllabus, which closely mirrors the current CBSE structure (Accountancy: Partnership & Company Accounts; Economics: combined Micro + Macroeconomics paper).

Pattern and syllabus details below were compiled directly from the official Board of School Education Haryana (BSEH) website, bseh.org.in — the 2026-27 session subject-wise 'Syllabus and Chapter-wise Division of Marks' PDFs published there for Class 10 and Class 12. Most subjects match the current NCERT/CBSE curriculum closely (several HBSE textbooks are in fact the official NCERT books, reprinted under a BSEH imprint), but a few — notably Class 10 Social Science's History component and part of the Hindi course — use HBSE-specific content that differs from CBSE. Where a chapter list or exact marks split could not be fully cross-verified (e.g. Accountancy's unit-wise marks table), this is flagged below — please confirm with your subject faculty before final print.
