Test Papers valid till end of your Board Exams

How does the Gradehunt Mentoring Program work?

- Gradehunt Mentoring Program is a specialized program designed by experts which guides students pursuing the **ICSE Class 10 Board Exams 2027**.
- Daily Targets are provided to the students which they need to cover along with their schooling. If a student is doing self-study, the mentoring is provided accordingly.
- A team of subject wise experts will guide the students, in which each subject will have a different expert or one expert will handle more than 1 subject.
- A student will be provided with a daily target on the Gradehunt Series Mobile App or on the Website Portal. This daily target will be of 3-4 hours. In case students miss the daily target due to some outside work or emergency, there will be a gap of half day after each consecutive 4th day.
- There will be a written Test after particular chapters are covered which will be 2 to 3 times in a week. It will be a chapter wise test of 60 to 90 minutes. The schedule for the Test Papers will also be provided along with the Mentorship.
- There will be an option to raise your doubts and get a reply from experts; you can raise your queries on the query portal and get a reply within 24 working hours.
- A 45-day study planner will guide your final preparation, using ABC Analysis (topics categorised A/B/C by importance) so that you know how much time each chapter deserves.
- Time management guidance is provided so that you can score better in the exam.

“Small tests, big gains” — finish every chapter, fix errors early, and walk into the **2027 board exams** fully exam-trained.

ICSE Class 10 Board Exam 2027 - Pattern at a Glance

Exam dates (2027)	ICSE Class 10 written papers are expected during February–March 2027 (last year's 2026 cycle ran 17 Feb – 30 Mar); CISCE usually releases the official date sheet in November, and it had not been released at the time of writing.
Marks	Most subjects: 80 marks theory (external) + 20 marks Internal Assessment/project. Mathematics is commonly reported as 100 marks written with no Internal Assessment component — please confirm this with your school before final print, as this varies by source.
Question types	Section A: compulsory short-answer questions. Section B: longer questions with internal choice, testing analytical and application skills rather than MCQs.
Passing marks	A minimum of 33% is generally required in each subject, and separately in the theory and Internal Assessment components. A pass in English Language is compulsory for the ICSE certificate.

Pattern and syllabus details are per publicly available CISCE (Council for the Indian School Certificate Examinations) information and standard ICSE/ISC textbooks; the board's official 2027 date sheet had not been released at the time of writing (CISCE typically releases it in November) — please cross-check exam dates and this content with your subject faculty before final print.
