Karnataka Board (KSEEB) Class 10 Exam 2027 – Pattern at a Glance

Board and medium	KSEEB (Karnataka Secondary Education Examination Board) conducts the SSLC (Class 10) Board Examination, typically held in March/April. This test series covers Mathematics, Science, Social Science, English (Second Language) and Kannada (First Language).
Marks / papers	Mathematics, Science, Social Science and English each carry **80 marks written exam + 20 marks internal assessment = 100**. Kannada (First Language) is **100 marks**, written exam only. Minimum passing is 35% in each subject.
Curriculum	Mathematics and Science closely follow the NCERT/CBSE chapter list. **Social Science** and **Kannada** are Karnataka's own KTBS state-textbook syllabus and are not the same as CBSE's Social Science/language content. English here is the Second Language paper taken by the large majority of SSLC students.

Pattern and syllabus details below were compiled from the Karnataka Secondary Education Examination Board (KSEEB, kseeb.karnataka.gov.in) SSLC syllabus, cross-checked against multiple independent syllabus-reference sources. Karnataka's Class 10 Mathematics and Science largely mirror the NCERT/CBSE curriculum, while Social Science and the language subjects (Kannada, English) use Karnataka's own state textbooks (KTBS), which differ from CBSE. Exact chapter titles and current-year deletions can shift year to year — please cross-check against the current printed textbook/official blueprint before final print.
