Telangana SSC Board Exam 2027 – Pattern at a Glance

Board and medium	BSE Telangana (Board of Secondary Education, Telangana) conducts the SSC (Class 10) Board Examination, generally held in March–April. The official 2027 date sheet had not been released at the time of writing.
Subjects	TS SSC students take 6 subjects: First Language (Telugu/Urdu), Second Language (Hindi), Third Language (English), Mathematics, Science (split into Physical Science and Biological Science) and Social Studies. This test series currently covers Mathematics, Physical Science, Biological Science, Social Studies and English (Third Language).
Marks / papers	Secondary sources (cross-checked across 2 independent sites) describe a 9-paper structure: Mathematics and Science each split into two 50-mark papers, Social Studies into a Geography & Economics paper and a History & Civics paper (each 50 marks), and one 100-mark paper each for the three languages – minimum pass mark is commonly cited as 35% per paper. This exam-pattern detail has changed more than once in recent years (it was temporarily reduced to one paper per subject in 2020–22); please confirm the current 2026-27 pattern with an official BSE Telangana notification before final print.
Curriculum	Mathematics, Physical Science and Biological Science follow the Telangana SCERT syllabus; Social Studies has a distinct state curriculum culminating in a unit on the formation of Telangana state.

Pattern and syllabus details are compiled from publicly available secondary sources (TSBIE/BSE Telangana-aligned aggregator and coaching sites), since the official board websites (bse.telangana.gov.in, tsbie.cgg.gov.in) were not reliably reachable from this environment at the time of writing. Several items below carry lower confidence — please cross-check with your subject faculty before final print, particularly the exact paper/marks split.
